VOL. 55—NO. 17

PROVISIONAL IRISH REPUBLIC BUILDING UP SHIPPING SERVICE

Witness Tells the Committee of One Hundred Country Has Service Between Foreign Countries and Especially the United States—Says Black and Tans Cause Destruction

(By The Associated Press)
WASHINGTON, Jan. 19.—The provisional Irish Republic thru its consular service is building up a large and successful direct shipping service between Ireland and other countries, especially with the United States, the commission of the committee of one hundred investigating the Irish question was told today by J. L. Fawcitt, who said he was the Irish consul general at New York. A fortnightly service between New York and Cork, Mr. Fawcitt said, is in operation and another service will open soon between Boston and an Irish port.

England was said by Fawcitt to be making every effort to prevent direct shipping with Ireland.

No passenger vessels are allowed to land in Ireland direct from America, the witness declared adding that this was England's effort to stifle American passenger service that would compete with the British monopoly.

Extensive data and figures intended to show the result of British economic repression in Ireland were presented by Fawcitt, who, branching into a general discussion of the Irish question summed up the matter as a clash between two forms of civilizations, the centralized, capital controlled government represented by Great Britain on one hand and co-operative community system represented by the Irish Republic on the other.

Black and Tans Do Damage.
"The black and tans," by wholesale destruction of grocer-ies, banks and other industries operated by the co-operative effort and capital of the Irish farmers are fighting the battles of the British trusts, he declared. This destruction has amounted to an actual loss of \$5,000,000 but potentially, by crippling a flourishing and growing system it has caused losses amounting probably to hundreds of millions.

Figures from British sources were said by Fawcitt to show that Ireland paid \$7,000,000 pounds taxes to Great Britain and received only \$2,000,000 in expenditures in return.

"The Irish Republic government," he added, "could administer the affairs of Ireland with the apparent taxes paid England and remit from \$2,000,000 pounds.

Frank Dempsey, mayor of Malin, and a locomotive engineer, the Southern and Western railway of Ireland, described the partial destruction of Malin following the attack by the Sinn Fein on the British barracks last Sept. 27. He asserted that soon after he had received an invitation from the commission to come to America to testify before H. C. House was raided and his correspondence taken.

NO ARTIFICIAL LAW
IS NEEDED TO KEEP
DOWN PRICE OF COAL

Illinois Mine Workers Notify United States Senators

WHAT IS NEEDED
IS MORE MARKETS

(By The Associated Press)
SPRINGFIELD, Ill., Jan. 19.—Executive board members of the Illinois United Mine Workers representing 90,000 coal miners in Illinois today wired United States Senators Sherman and McCormack that "no artificial law is needed to keep down the price of coal," and urged opposition to Senate bill 4825 known as the Calder bill.

"We regard this bill as pernicious in effect," the telegram read, "and of such nature as to work great injury to the mining industry. Adequate transportation facilities and the natural law of supply and demand will regulate the price question."

"Illinois now has mining facilities for an enormous output and coal deposits that have not been developed. What is needed is a chance to broaden its markets and thus give steady employment to the men instead of restrictive legislation which cannot do other than work great harm to the industry."

SAW HIS WIFE IN
MOVIES; ASKS HEART BALM

Kansas City, Mo., Jan. 19.—O. W. Page went to a moving picture show the other night. One of the films showed the New Year's Eve festivities at a local hotel. Today Page brought suit for \$20,000 against H. H. Saunders, an apartment hotel owner alleging alienation of his wife's affections.

According to Page the picture showed Saunders and Mrs. Page participating together in the festivities. Mrs. Page recently obtained a divorce.

FORD BONUSES AT OMAHA

Omaha, Neb., Jan. 19.—Bonuses totaling \$35,000 will be paid out this week to 253 employees of the Ford Motor Company here, C. I. Gould, manager of the establishment announced.

TRANSPORTATION RATES
RESPONSIBLE FOR H. C. L.

Chicago, Jan. 19.—Increased rail and other transportation charges were given as one of the causes for the high cost of living by William Newson of New York, president of the American Fruit and Vegetable Shoppers' Association, in a speech before a meeting of that organization today.

In many cases, he said, the cost of transportation is greater than the value of the commodity carried.

MOONSHINE MAKES IT
HARD FOR OFFICERS

JANESVILLE, Wis., Jan. 19.—"Attempts at wholesale bribing of officials are putting the American government to the severest tests it has ever faced. The menace is from moonshine millions and bootleg billions. It costs forty cents to make a gallon of moonshine which sells for \$10 to \$25 by the gallon, \$35 to \$100 by the drink. No wonder bootleggers are leaving Wall street to organize Milwaukee 'rum rings'."

"Blue sky isn't in it with 'moonshine,'" said R. P. Hutton, state superintendent of the Wisconsin anti-saloon league speaking before the Janesville Rotary club today.

FAILS TO RE-MARRY WIFE
COSTS HIM \$12,000

Chicago, Jan. 19.—William J. Porter was today found guilty of breach of promise to remarry his own wife. The jury awarded Mrs. Jessie M. Porter \$12,000. Mrs. Porter testified that she had married Mr. Porter within a month after she had divorced her first husband. Later she learned that this marriage was not legal because of the Illinois law forbidding the remarriage of divorced persons within one year.

She declared that Mr. Porter then promised to marry her legally but later refused.

HEIRS TO GATES
ESTATE GETS \$300,000

Chicago, Jan. 19.—Miss Dellora Angell, a former Lake Forest School girl who inherited \$38,000,000 of the John W. Gates estate, came into the full possession of \$200,000 today when her guardian was discharged. She reached the legal age of 18 years on December 23. She will not come into possession of the bulk of the estate until she is 40 years old.

When Robert Frank Angell, her father, who has been acting as her guardian, filed his report, he was named by the court as attorney in fact and business manager of his daughter's income from the estate until she reaches the age of 21 when she will have full control of the income on the legacy.

BURGILARS DIG THRU
WALL; ROB BANK

Chicago Springs, Iowa, Jan. 19.—Burglars dug thru a twenty inch brick wall of the First National Bank of this place last night and plundered sixty safety deposit boxes of liberty bonds, war savings stamps and \$249 worth of stamps and money.

EXPRESS EMPLOYEES
GIVEN LONG SENTENCE

Chicago, Jan. 19.—From ten years to life in the penitentiary was the sentence given today to two robbers, Thomas Sloanenik and Stephen Kreeaway. The two had pleaded guilty to robbing an express company messenger of \$17,500 last July.

DISCOVER NEW PROCESS
TO PURIFY WATER

VALPARAISO, Ind., Jan. 19.—Perfection of a new process of applying chlorine for the purification of city water supplies was announced today by Dr. C. Arthur Brown of Valparaiso University and chief engineer of the American Steel & Wire Company in an address to an engineering class at that university.

The new process according to Dr. Brown will assure an automatically measured and controlled flow of the chlorine and will thus eliminate danger encountered under present methods of using too much or too little of the chemical. The new way of mixing the chlorine and water is by the use of an instrument in which an equal pressure diaphragm automatically controls the flow of the chemical.

Did it ever occur to you that some of the people who were unhappy last year over the size of their income tax, who growled about the unfairness of the law and the labor of making out schedules, are just as unhappy this year because the slump in business has greatly reduced the amount they must pay into the revenue department? When it comes to taxes, it is no use trying to keep everybody in a good humor. It can't be done.

Out in the Kansas legislature where a number of women are members a law is proposed making the wife an employee of the household. The idea is to put the woman of the household in position to demand damages under the workmen's compensation act if desired. The old idea seems to be lost sight of in Kansas—that idea of the home representing a partnership with the

interests of the husband and wife on a 50-50 basis.

Cartoonists are holding up to ridicule the manufacturers who are strong for a protective tariff on products affecting their industries but who are opposed to any immigration restrictions. The "big business" men are pictured as very happy in the thought of protection which will mean high prices for their products and unhappy over the thought of American labor having no competition thru immigration.

But then there is the argument that protection for American industries will make possible the payment of wages which will permit American workmen to keep up their standards of living. Many of the workers that come from overseas take up activities that have no allurements for American workmen. If it were for immigrants it would be a mighty difficult problem to secure enough coal miners, railway track workers and other laborers for those tasks that are hard and disagreeable.

THE COWARDLY RESORT TO FLIGHT

Just how the accident on West State street occurred last night resulting in the death of a woman, is not at this time known. The driver of the car, may possibly not have been to blame for the collision, but what shadow of an excuse could be offered to explain the conduct of a scoundrel who in case of accident makes no effort to assist the injured person and instead makes his flight from the scene of the acci-

dent, evidently in the hope of escaping all accountability for his action. No course could be more despicable—no action more cowardly. Every effort should be made to locate and identify the driver of the car that struck down this Jacksonville woman last night.

A GRATIFYING GROWTH

The growth of the business of a corporation is of interest not only to the stockholders but to the public as well—that is, the people of the community where the plant or the home office of the corporation is located. For this reason Jacksonville people have read with interest the annual statement of the Cloverleaf Life & Casualty Co. This report shows that the business of the company is increasing in a remarkable way and the management and policies are such that there are reasons for believing that there will be continued expansion.

The growth of the business means much to Jacksonville for several reasons, among them the fact of the continually increasing number of office employees, and that company money becomes available for local development. It is entirely probable that the company in the course of another year or two will erect a substantial office building and therein Jacksonville will be able to count another benefit.

Rippling Rhymes
By Walt Mason

Anti-Tobacco.
Crusaders say that their plans are ripe, they've hitched their wagons to some stars, and soon they'll take away my pipe, and shut me off from long cigars. When I am smoking I am mild, I never raise a fuss or rant, I am as gentle as a child, and harmless as my maiden aunt. But when they take my pipe away I fear I'll train with savage men; I really am afraid to say what tragedies may happen then. Our lives are full of ugly curves and what we suffer no one knows; tobacco soothes the tired man's nerves, and gives his faded soul repose. There's peace in forty million homes because Tired Fathers puff and puff, with wreaths of smoke around their domes, they know tobacco is the stuff. They do not care to beat their wives or break the crockery and chairs; for smoking calms their troubled lives, as it would heal sore heads of bears. In moral fits, at divers times, I've thrown my trusty pipe away; then I wrote pessimistic rhymes and scrapped with neighbors every day. I'd sternly say, "No stack of pipe will ever make me smoke again," and then I'd sit and hate myself, and also hate my fellow-men.

Social Events

Wednesday Class Meets

The Wednesday class met yesterday afternoon at the home of Mrs. William H. March on Caldwell street. Mrs. Carl E. Black gave a most interesting program, a review of the book "Back to the Republic," by Harry F. Atwood. Dainty refreshments were served during the social hour which followed the program.

Young Woman's Guild Met

The Young Woman's Guild of the Congregational church held an all day meeting Wednesday. The Young ladies brought luncheon the day was pleasantly as well as profitably spent in sewing for their new room. The Guild has also just finished making new white curtains and painting the little chairs for the primary department room. The little children will no doubt appreciate this help, as they could not do all the work alone, for furnishing their new room.

Domestic Science Club of Murrayville Meets

The regular January meeting of the Murrayville Domestic Science club was held Wednesday afternoon at the home of Mrs. Charles Collins. There was a very good attendance and a very interesting session was held. The members responded to roll call with readings from Walt Mason. A duet by Mrs. C. T. Daniels and Mrs. W. W. Walker was a pleasing feature of the afternoon. The program also included two very fine papers, one on "American Women Writers" by Mrs. J. T. Warcup.

At the close of the program the members spent an hour socially and at this time the hostess served sandwiches, peanut salad and coffee. The next meeting of the club will be on February 2 with Mrs. C. T. Daniels.

Catholic Ladies' Aid Met With Mrs. Logsdon

The Catholic Ladies' Aid met with Mrs. Logsdon of Grove street Wednesday afternoon with a large attendance. The usual business session was held and it was decided to hold an open meeting in Knights of Columbus hall next Monday evening. It was the meeting for the annual election of officers and the following were chosen.

President—Mrs. W. M. Mason. Vice President—Mrs. Eugene Ketterling. Secretary - Treasurer — Mrs. Julia Graef.

Sinclair Country Club Met With Mrs. Robinson.

Members of the Sinclair Country club met with Mrs. George Robinson Wednesday afternoon with a large attendance. Roll call was responded to with "Left Overs and How to Use Them." Table setting and serving was the subject of an interesting paper by Mrs. Lester Martin. A social hour followed and refreshments were served. The next meeting will be held with Mrs. Vol Sevier, February 2nd.

Amona Bible Class Gave Luncheon.

The Amona Sunday school class of the First Baptist church were entertained at a six o'clock luncheon Tuesday evening at the home of Mrs. Wesson on East Morton avenue. Mrs. Williamson is the teacher. The husbands of the ladies were invited as guests. About seventy-two were present. During the evening games and music were enjoyed by all. Later in the evening a spelling match added much attention to the occasion, the men against the women; the women winning.

Party for Mr. and Mrs. Woods

A delightful party was given last evening in honor of Mr. and Mrs. Walter W. Woods at their home on Harding avenue. The affair was the occasion of the thirty-third wedding anniversary of Mr. and Mrs. Woods and was planned by their daughter, Mrs. Earl Luckeman, as a surprise party. However, the guests of honor discovered the plans and were able to share in the anticipation of the event. About twelve couples of the friends and neighbors of Mr. and Mrs. Woods were present and the evening was pleasantly spent playing rook. An excellent supper was served during the evening.

Mr. and Mrs. Allen Parker Surprised by Friends.

Last Sunday a number of the neighbors and friends of Mr. and Mrs. Allen Parker gave them a very pleasant surprise by going to their home, near Manchester. About 11 o'clock the guests arrived with well filled baskets, and at noon the table was spread with all sorts of good things to eat. Needless to say, the dinner was one of the most enjoyable features of the day. The afternoon and evening hours were spent in a delightful social way, music having a part in the entertainment. Those present were: Mr. and Mrs. John Lawless and family; Mr. and Mrs. Fred Thady, and family; Mr. and Mrs. Fletcher Patterson and family; Mr. and Mrs. Herbert Sinclair; Fred Stringer, Jesse Dobson, John Kelly.

Amona Bible Class Held Birthday Social.

The birthday social of the Amona Bible class of First Baptist church was held at the home of Mrs. T. J. Wilson, 633 East Morton avenue Tuesday night. Members of the class were privileged to bring their husbands with them and a large company assembled for the excellent supper which was served at 6:30 o'clock. The social hour which followed this evening was one of these special events quarterly and the members whose birthdays were in November,

December or January were the guests of honor at this month's meeting. This list included Mrs. W. B. Spires, Mrs. Dawson, Mrs. LeCord, Mrs. Edward Young, Mrs. Forward, Mrs. T. J. Wilson, Mrs. H. M. Casey, Miss Jennie Rabjohns and Miss Lucy Duncan.

Surprise Party for Mr. Franz.

Mr. and Mrs. Allan Franz were pleasantly surprised at their home, 719 North East street, Monday evening, when a number of friends and relatives gathered for a party in honor of Mr. Franz's birthday. About forty-five guests were present and they presented Mr. Franz with a fine leather rocking chair. Pink and white were the prevailing colors in the artistic house decorations, and the same scheme was also carried out in the delicious refreshments served during the evening. The party was a great success as far as everyone was concerned.

Mrs. Deaton Entertains Clark's Chapel Ladies.

The Ladies Aid of Clark's chapel met Wednesday afternoon at the home of Mrs. E. A. Deaton of Seward's Crossing. The devotions consisted of scripture reading by Mrs. William Ledford, the president and a prayer by Mrs. E. O. Cully. A short business meeting was held and the song "Greenland's Ice Mountains" was sung. The roll call was New Year's Resolutions for the good of the society. The afternoon program consisted of several papers by Miss Anna McDonnell, "A Chinese High Official's Testimony," "One hospital for 2,000,000 People," and "The Famine in North China." After an interesting discussion a social hour was enjoyed.

Magazine Club

The Magazine club, the oldest literary club in Waverly, met Wednesday at the home of Mrs. W. C. Calhoun in Franklin. About eighteen members and three guests were present and an excellent two-course luncheon was served at the Calhoun home by the hostesses, Mrs. Calhoun and Mrs. Frank Reesor, of Waverly.

The regular program of the afternoon had to be omitted on account of the lateness of the morning train and only roll call was given. Each guest answered with a clever parody on a well-known poem. This proved a most entertaining feature of the day. The regular program arranged for the meeting was as follows: "Who Plants a Tree"—Mrs. W. B. Curtis.

"Short Papers on Various Subjects from the Collectors' Manual"—Miss Madge Deatherage. The guests returned to Waverly on the afternoon train, after having spent a very pleasant few hours.

W. C. T. Woman's Club Met.

The W. C. T. Woman's Club met Wednesday afternoon at the home of Mrs. G. E. Gaskins on south Main street. There was an unusually good attendance and during the business meeting, plans were made for a cafeteria supper to be given for the club members and their families, February 5th, at the U. C. T. hall.

The hostess served a lovely luncheon during the social hour which followed the business meeting. There were five guests present and they were formally taken into the club as members. They are: Mrs. Stella Sheiring, Mrs. W. R. Beck, Mrs. Frank Cannon, Mrs. R. W. Bluecke and Mrs. P. A. Hennehan.

The club's steadily growing and the members are taking a great interest in its activities. The next meeting will be held with Mrs. George Brady on Grove street, and will be in the nature of a Valentine party.

Woman's Club of Woodson Meets

Members of the Woodson Woman's club held a very interesting session Wednesday afternoon in the parlors of the Christian church, Mrs. I. H. Fuller and Mrs. Harry Smith being the hostesses of the afternoon. The company numbered forty-five members of the Woodson Domestic Science club being the special guests of honor. Each one present responded to roll call by "A New Year's Resolution." The program included the following:

Reading—Mrs. Harriet Smith. Paper, "A Forward Look"—Mrs. I. H. Fuller. Recitation—Frank Powell. Recitation—Irene Smith. Reading—Mrs. Louella Henry. A business session was held, with the president, Mrs. W. T. Craig, presiding, and various matters were given attention. The song, "America" was the closing number on the program. One or two unique contests furnished a part of the entertainment program, and before adjournment excellent refreshments consisting of patriotic sandwiches, stuffed celery, prune whip, "dates of 1921" and coffee Royal were served by the domestic science committee of the Woodson club. The committee includes Mrs. F. J. Henderson, chairman, Mrs. Herbert Owings and Mrs. Chester Colton.

Successful Year Reported In Annual Meeting

The Pastor's Aid society of Grace church held its annual meeting Wednesday afternoon in the church parlors. After the devotions led by Mrs. Wood, the annual report of the standing committees were given. These consisted of a report by the chairman of the circle, the secretary and the treasurer.

The financial report showed that the total amount received during the past year was \$1,556.68 and the expenditures \$879.88 in the treasury to start the new year. The following officers for the year 1921 were elected: President—Mrs. George E. Baxter. First Vice President—Mrs. W. B. Rogers. Second Vice President—Mrs.

AGED GREENE COUNTY

RESIDENT IS DEAD

Ira Wilkerson Passed Away Early Wednesday Morning—Mill and Elevator to Have New Manager—Other White Hall News.

White Hall, Jan. 19.—Ira Wilkerson, one of the old residents of Roodhouse township, died at his home in Bloomington at 2:30 o'clock this morning, aged nearly 64 years. The greater part of his life was spent in the vicinity of Barrow, but he moved into Roodhouse city about three years ago. The widow, two sons and a daughter survive, the children being Gus, Guy and Bessie, the later at home. Deceased was a member of the Baptist church, the Masonic and M. W. A. orders. No arrangements have been made for the funeral at this hour.

The remains of Mrs. Lura Hoge, member of an old White Hall family, were brought here from Kansas City and interred in the White Hall cemetery Tuesday afternoon with brief services in the Fox chapel. Her maiden name was Hicks, sister of Wm. H. Hicks of White Hall and of Mrs. M. L. Potts of Springfield. For some years following her marriage to Charles Hoge she resided on a farm west of White Hall, going to Kansas City some twenty years ago or more, where her husband has been connected with the street railway. Her age was 62 years, and is survived by the husband and a daughter. The cause of death was cancer.

Robert Hicks will become on February 1st manager of the mill and elevators of the White Hall Co-operative Mill & Elevator Co., succeeding R. A. Mansfield, who has been in charge during the first year of operations under the co-operative plan, and has placed the business on a good footing, the reason for his retirement being to engage in other business. It is said that he contemplates opening an implement house here. Mr. Hicks is an experienced elevator man, having been in charge at Drake for some years previous to the fire that destroyed the structure there. He has already located in town. The annual meeting of stockholders will be held soon at pass on this arrangement.

Mrs. Lydia Powell was up from Hillview Tuesday to look into some matters pertaining to the death of her son, Thomas Powell, who was killed in action in France on the last day of the world war, being a private in Co. G, 36th Infantry. Mrs. Powell states that she has notified the government to let his body remain buried in France, where he was killed. The name of Private Powell has not yet appeared on the Roll of Honor for White Hall, and his death makes the thirteenth young man listed as from White Hall to lose their lives as a result of the world war. The work of revising the Roll of Honor for Northern Greene County is now being carried out under the direction of Skyes & Fanning, and much important matter is being developed, which this instance affords a good illustration. There are scores of requests for government headstones for the unmarked graves of soldiers that are going unattended unless the public takes sufficient interest to see that the matter is given the required attention.

The C. & A. will have a new time card in effect next Sunday that will make only minor changes along this part of the line.

PEORIA, ILLINOIS.

HAS BANNER OF FIRST FIRE COMPANY

Chief Samuel Hunt Will Frame Banner Together With List of Names and Hang it in Department.

Samuel Hunt during the recent meeting of the state firemen here secured the banner owned by the first fire company ever organized in Jacksonville.

The banner had been preserved by the late James Mitchell for many years associated with the fire department as a member and as chief. Later William Graubner had possession of the banner and placed it in one of the bank vaults of the city.

He took it to the station during the convention where it was displayed to visiting firemen. Chief Hunt then secured the names of the members of the original company, many of whom afterward became leading citizens of the city.

The company was organized April 23, 1840, under an act of the legislature providing for the incorporation of fire companies. The members of the company are given:

James Berdan, Morris Collins, J. D. Stone, Stafford Smith, James O. King, James H. Lorton, B. B. Chamberlain, Robert Hockenbuhl, Thomas Anderson, James Stark, William French, William Branson, John Hurst, D. P. Palmer, Arland C. Cole, John Fisher, J. A. McDougall, Nicholas Milburn, Patrick Cresap, J. Johnson, Daniel Galbraith, F. Campbell, J. McAlister, John W. Goltra, C. B. Clark, I. D. Rawlings, Timothy Chamberlain, Henry Kener, J. Hurst, Morton Mallory, F. Stevenson, I. S. Hicks, William S. Hurst, G. A. Dunlap, J. S. Anderson, Benjamin F. Cass, B. F. Stevenson, D. A. Buckley, A. C. Dickson, B. R. Houghton, Samuel Hunt, James Hurst, William Wilson, George Henry, S. H. Henderson, Moore C. Goltra, Phillip Coffman, R. S. Anderson, John Mathers, J. W. McAlister, R. Bibb, Michael Rapp, George M. Chambers, William H. Corcoran, J. A. Graves, L. B. Berry, John W. Chambers, H. S. Carson, J. Harkness, David Smalley, M. J. Hunter, A. Smith, William Smalley, W. W. Happy, J. T. Jones, Cornelius Goltra, Stephen Sutton, W. Patterson, F. C. Dutton, A. Lohr, J. Cosgrove, William C. Gwin, W. Atkins, E. T. Miller, John Henry, John Gregory, L. Filson, Eli Harp, W. B. Warren, W. Braidwood, A. W. Tilford, J. M. Lucas, J. J. Cassell, C. Ogle, J. B. McKinney, W. C. Sweet, W. B. Lewis, Joseph Gledhill, W. C. Scott, A. B. Hathaway, M. Dulany, John Freeman.

TWO MORE ARMY RECRUITS.

The local recruiting station reports that two more men have joined the service. John K. Rawlings and Wayne A. Grimley, both of this city have enlisted. Rawlings will go to Honolulu to serve in the Fifth Bakery company and Grimley has been detailed to Camp Grant as a member of the Third Field Artillery.

Prosperous Farmer Openly Says Dreco Has Greatly Helped Him

Was Very Bilious, Nervous,
Constipated, Stomach Out
of Order, Couldn't Sleep
and Often Had Dizzy
Spells

Quick Relief Given by the Great
Root and Herb Medicine, Dreco.

"My condition was growing worse every day and my vitality was in a low state when I started taking the root and herb remedy, Dreco," said this highly respected farmer, Mr. David Westerfield of Route No. 3, Canton, Ill.

"I couldn't sleep sound, my rest did me no good, I didn't relish my food for my stomach was weak and nauseated and my digestion very poor. My bowels were constipated and I was so bilious that I often became light headed and very nervous.

"Everyone was praising Dreco so highly that I got a bottle and I'm free to say it is everything that is recommended to be. I am coming strong under the Dreco treatment and feel better than in many a day. I sleep sound and get up refreshed, have a big appetite and my stomach is so much stronger that everything I eat agrees with me. My bowels move regular and with ease and the dizziness is all gone. Dreco is surely one fine medicine and I'm glad to recommend it to others."

Dreco has helped many people suffering from constipated bowels, lazy, sluggish liver, backache, rheumatism, gas in the stomach, nervousness and general run-down systems. It is pleasant to take and the action is prompt and efficient.

All druggists now sell Dreco and it is being especially introduced in Jacksonville by Coover Drug Co. and J. P. Shreve.—Adv.

The birthday party of Westminster church, will be held this afternoon at 3 o'clock at the home of Miss Eleanor Moore, 829 West State street. Dr. Thomas Smith, pastor of the church, is to make an address and an unusually large attendance of members is expected.

MRS. READ IN CHICAGO
Mrs. Helen Brown Read left last night for Chicago where she will spend ten days. Mrs. Read's trip will combine business and pleasure.

HAIR CAME OUT IN HANDFULS

Had Dandruff and Pimples on Head. Cuticura Healed.

"I had a very bad case of dandruff and there were pimples on my head. It would itch and burn at night so I could hardly sleep. My hair was dry and lifeless and I could comb it out by the handful. A friend told me about Cuticura Soap and Ointment and I decided to give them a trial, and when I had used three cakes of Soap and three boxes of Ointment I was healed." (Signed) Albert Marshall, Box 373, Indianapolis, Indiana.

Cuticura Soap, Ointment and Talcum are all you need for all toilet uses. Bathe with Soap, soothe with Ointment, dust with Talcum.

Sample Each Free by Mail. Address: "Cuticura Laboratories, Dept. B, Malden 45, Mass." Send every-where. Soap 5c, Ointment 10c and 25c, Talcum 5c. "Cuticura Soap saves without stain."

Last to raise—First to reduce

That new storage battery your car needs—can now be bought at a big and substantial saving. You will think the good old days have really come back when you see what Prest-O-Lite has done to restore the low cost of motoring.

Heavy Reduction in Cost of Your New Battery

Heavy reduction in cost of your new battery—Yet quality has been rigidly maintained. That unusual pep and reserve power for which the Prest-O-Lite battery has always been famous is greater than ever today.

A full powered battery of correct size for your car is ready, waiting for you at the new price. A Prest-O-Lite battery in your car will give you a world of satisfaction.

If your old battery still has some value, we will make you a handsome allowance in buying a new battery, a still further saving in addition to the substantial discount that the new low price will give you.

You Want a Quality Stove
There are no "pure food" laws to govern the manufacture of stoves and kindred articles in the hardware line. It is left to the merchant in each town to do his own discounting—to separate the chaff from the wheat for his own and his patrons protection.
There is hardly another article of household use which receives such hard usage as a stove. Fuel is thrown in; ashes are shaken down; doors are slammed. To stand this constant wear and tear, a stove must be of best quality.
We offer the public "THE ESTATE" stove as an article of highest quality. It has been put to every test in this community—by ourselves and by our customers. It has proven its worth in every instance—has convinced us that it is the highest quality yet attained in stove building.
If you are interested in a "Stove of Quality", either range or heater, come in and let us talk the Estate line to you.

NEGRO CONFESSES TO MURDER OF NURSE
Annapolis, Md., Jan. 19.—Confessed murderer of Miss Harriet Kavanaugh, naval academy nurse, according to Detectives Bradley and Hammersla, of Baltimore, Henry A. Brown, is a prisoner under heavy guard in the brig of the naval training ship Cumberland.
Miss Kavanaugh was murdered Friday night, her skull fractured in three places with a lead pipe. Officials of the naval academy seem satisfied that with Brown's confession they have arrived at the end of their investigation.
That robbery was the only motive for the crime is the belief of the investigators.

ATTACK MOSCOW
INTERNATIONALE
Lechorn, Italy, Jan. 19.—The third Moscow Internationale was the object of further attacks today at the session of the Italian Socialists when Signor Serrati, the Italian Socialist and editor of the Socialist Newspaper Avanti, contended that the Moscow Internationale had not been equal in its treatment of all countries allowing the French moderates to adhere to the Third Internationale while the Italian Socialists of the same school had been prevented from so doing.
A vote on the party's views concerning violence was constantly delayed today by the long discussion and it is now unlikely that the vote will be reached before tomorrow evening.

SNORING TABOOED
IN OKLAHOMA
Oklahoma City, Okla., Jan. 19.—Snoring, talking in ones' sleep or otherwise disturbing the family and neighborhood peace after 1 a. m. would be unlawful and punishable by prescribed penalties under a bill introduced in the house of the Oklahoma legislature today by T. E. Beck, a Republican.
Loss of breakfast is prescribed as the penalty for the first offense, living with a mother-in-law a certain number of days is the penalty for the second offense, with fines ranging from \$100 to \$1,000 for the third and successive offenses.

NO BLUE LAW SUNDAY LEAGUE INCORPORATED
Albany, N. Y., Jan. 19.—The No Blue Sunday League, Inc., was incorporated with Secretary of State John J. Lyons today. The corporation, according to the statement filed was formed to promote activities which shall restrain the making of annoying, harassing and unfair blue Sunday laws.

PEORIA COUNTY FARMER IN BANKRUPTCY
Peoria, Ill., Jan. 19.—John A. Hoffman, Peoria county farmer, near Pottstown, this afternoon filed a petition in voluntary bankruptcy listing his liabilities at \$400,000 and his assets at \$60,000. Inability to pay mortgages due on his property was given as the cause of his action. This is the largest bankruptcy case ever filed from Peoria county.

Bridgeport, Conn., Jan. 19.—A soup kitchen to provide one meal a day for unemployed persons was opened today by the Bridgeport Metal Trades Union. The manufacturers' association of Bridgeport today estimated that there had been a ten per cent increase in total working hours in local plants in the last two weeks.

MAN OF MANY SUITS IS DEAD
Chicago, Jan. 19.—Fayette S. Munro, whose numerous suits to prevent the expenditure of thousands of dollars illegally appropriated by the Illinois legislature won for him the title of the "watch dog of the state treasury," died tonight at his home in Highland Park. He was born a Camillus, N. Y., in 1874 and graduated from Colgate College in 1895. In 1898 he began the practice of law in Chicago.
In 1916 Mr. Munro announced his candidacy for the Republican nomination for attorney general but he was defeated in the race by Edward J. Brundage.

Brunswick
PHONOGRAPHS AND RECORDS
Critical Music Lovers Prefer The Brunswick

It is always a certain friend, an enthusiastic one, we find, who hears The Brunswick and then compares it.
The ear is quick to appreciate its superior tone; the eye is quick to note its finer cabinet work, and the mind is quick to reason out why Brunswick is a final type instrument in every way.
The Brunswick method of reproduction has brought new standards in Phonographic art—better tone, truer tone. Tones hitherto lost are now ever present.
Every hearer is convinced. That is the reason for the great popularity. That accounts for The Brunswick winning such headway in a field where limits were supposed to have been reached.
Since The Brunswick came, they all say "Plays all Records"—but just you find out how they do it and then investigate The Brunswick way.

EARL J. FITCH WEDS PEORIA YOUNG WOMAN

Announcement has been received of the marriage of Earl J. Fitch, son of Mr. and Mrs. Charles Fitch, 474 South East street, and his Laura Stucke of Peoria. The wedding took place Saturday, Jan. 16, in Peoria, Rev. James Benson, a Presbyterian minister, officiating. The groom was born and reared in Jacksonville and received his education in the public schools. For a time he was employed here by Swift Company, a year ago he went to Peoria and is in the employ of the J. P. Gannard company at present. The bride was formerly a bookkeeper in the office of the Peoria steamship company.

Mr. and Mrs. Fitch are expected in Jacksonville for a few days with his relatives.

MRS. ANNA M. BODDY KILLED BY AUTOMOBILE

Aged Woman Run Down By Unknown Driver at Intersection of West State and Church Streets — Only Lived Short Time.

Mrs. Anna M. Boddy, aged 73 years, was run down by an unknown automobilist at the corner of West State and Church streets near Trinity church about 6:45 o'clock Wednesday night and received injuries which resulted in death at Our Savior's hospital shortly afterward.

The driver of the car, never stopped, but according to witnesses, put on speed and disappeared down West State street. The victim of the tragedy was on her way to Central Christian church to attend the lecture of Dr. Viollette. She was accompanied by her sister, Mrs. Lillian Angelo who fortunately escaped injury.

The entire right side of the head was crushed and a large hole torn in the scalp. A number of people witnessed the accident and hastened to the aid of the injured woman. She was carried and placed on the walk in front of Trinity church and Dr. A. M. King and Dr. Edward Rowe were summoned. Dr. King arrived first and Mrs. Boddy was taken to Our Savior's hospital in the car of Mrs. John G. Reynolds who was one of those near the scene at the time.

Did Not Regain Consciousness. When Mrs. Boddy was taken from the car at the hospital she was in a dying condition and passed away a few minutes afterward in the dressing room of the hospital while Dr. King was making an examination. She never regained consciousness after the accident.

They were crossing the street going south and the automobile was coming from the west. Fred McDougall, one of those who witnessed the accident said the car passed him as he was driving east. Apparently after the car struck the woman, Mr. McDougall said, it swerved clear across the track and nearly struck the curbing in front of State Street Presbyterian church. The driver, however, never slackened his speed and kept on eastward in State street. Mr. McDougall was unable to give an accurate description of the car except that the side curtains were on. He could not see who was in the car.

Decedent was the daughter of Isaac and Sarah James and was born near Winchester, in Scott county. She was united in marriage to William Boddy who died about 15 years ago. For some years she was employed at the home of Charles Rowe, west of the city. Recently she and her sister, Mrs. Angelo have been coming at the residence of J. W. Finch on Jordan street. She was a member of Central Christian church.

She is survived by three sisters Mrs. Thomas Willerton and Mrs. William Angelo of this city; Mrs. Laura Raines of New York state, and one brother, L. S. James, resident here.

Following death the body was removed to Gillham's undertaking parlors and prepared for burial. No arrangements for the funeral have been made. Coroner Rose was notified of the death. He has not yet decided upon the time of the inquest.

Immediately after the accident Chief of Police Kilgus began an investigation and every effort will be made to locate the driver of the car.

Funerals

Funeral services for Mrs. Antonio Vieira were held from the undertaking parlors of Arthur G. Cody at 2:30 o'clock this afternoon in charge of the Rev. Walter E. Spooner.

Music was furnished by Mrs. James A. Scott and Mrs. J. M. De Vries with Mrs. George Ferreira as accompanist. The flowers were cared for by Mrs. Nettie Smith, Mrs. Caroline Decker, Mrs. Margaret Platt and Miss Janina Fernandes.

Burial was in Jacksonville cemetery the bearers being: John Smith, Thomas Vieira, James A. Scott, Joshua Vasconcellos, John Fernandes and Thomas Fernandes.

MR. CORMICK BURIED AT CENTRALIA

Decedent Ranked for Many Years as One of Most Prominent Residents of Southern Illinois City.

The Centralia Sentinel contained an extended notice of the recent death of Harry G. Cormick, prominent resident of that city and well known here. The funeral service was held in Centralia Tuesday afternoon. Some paragraphs taken from the Sentinel concerning Mr. Cormick's life and work are printed herewith:

Another of Centralia's pioneer and most respected citizens has passed over, and his valuable counsel in the promotion and building up of the city in which he took such great pride has been stilled.

Harry G. Cormick passed away this morning at 6:05 after a week's game struggle for life with double pneumonia.

Mr. Cormick had been subject to bronchial trouble each winter, and therefore paid little attention to what seemed only the usual cold, but which quickly developed into pneumonia.

H. G. Cormick was one of the widest known Centralians. He has always been counted upon in all better Centralia movements, and always took a conspicuous part in the affairs of his community. He was especially known by his intimates for his charitable inclinations, being for years president of the Centralia Provident Association, and having taken an especial interest in the work of the Odd Fellows Old Folks Home at Mattoon for which he was a trustee for some five years.

Mr. Cormick was the first Mayor of the city under the Commission Form of government, serving from the spring of 1917 to spring of 1919. He was very active in getting the improved form of city government in vogue here and as a result was drafted at a public meeting to make the first race for Mayor under the new form. He was also one of the board of Centralia Commercial Club for years, and was also its president for a term.

As an Odd Fellow the deceased was exceptionally well known, not only in Centralia, but in the state and national connection of this great order. He was Past Grand of the former Queen City Lodge here and was instrumental in effecting the consolidation of the Odd Fellow Lodges into the present Centralia Lodge No. 17, now the largest in Centralia.

Mr. Cormick is also nationally known in the hardware trade. In 1902-03 he was president of the National Hardware Dealers Association, as he was also president of the Illinois Retail Hardware Dealers Association.

Harry G. Cormick was 57 years, 2 months and 14 days old. He was born in Columbus, Ohio, November 1st, 1853, but spent almost his entire life in Centralia. He and Miss Mary H. Hall of Jacksonville were united in marriage December 15, 1897, and resided at 227 North Poplar since their marriage.

In the taking away of H. G. Cormick Centralia loses one of its most valuable citizens. Doing something for his fellow men seemed to always have the strongest appeal on his mind, and such men naturally are a grave loss to every community.

The funeral was held at 2:30 Tuesday afternoon at the Christian church with Rev. F. O. Fannon in charge.

An extensive assortment of Women's Furs on Consignment to be sold at prices that will move them quickly. Is shown by FRANK BYRNS Hat Store.

Births

Born—Monday night to Mr. and Mrs. Peter Strauzo of 330 North East street, a daughter.

Born—To Mr. and Mrs. Roy Wood of East State street, Monday, a son.

Born—To Mr. and Mrs. Tucker Hamilton of Lincoln avenue, a son.

WITH THE SICK

Homer Massey who has been ill for some time is reported as improved.

J. V. Breckon of West North street, is seriously ill at Passavant hospital. An ailment of the ears has resulted in intense suffering and the serious condition.

R. P. ALLAN BUYS FARM IN POINT NEIGHBORHOOD

Robert P. Allan has recently purchased from Ralph Goltra an 80 acre farm, located one-half mile north of Point church. This tract was purchased some years ago by Mr. Goltra from the Vaser estate and Mr. Allan has bought the farm for one of his sons. The land is of excellent quality and the improvements are adequate and in good condition. Mr. Allan's main farming interests are near Riggsdon and this new property is not many miles distant from his other holdings.

IN JUSTICE COURT

In Justice Dyer's court yesterday Harry Clemmons was awarded damages of \$185 in an action brought against W. E. Boston. The suit was occasioned by a collision one day last November between the Boston grocery delivery truck and a taxicab belonging to Mr. Clemmons.

SCOUT TROOP BEGINS ITS WORK

The Westminster Boy Scout troop was recently organized and the work has begun. In a recent notice about the troop the name of the scout master was erroneously given. George Drennan of Illinois college, is in charge of this troop and is entering upon the work in an enthusiastic way.

CITY IS PREPARING FOR PLANT REMOVAL

Employees Settling Machinery Ready for Transfer—Peoria Firm Will Do Removal Work—Contractors Furnish Labor and Assume Liability.

Work of dismantling the machinery at the municipal light plant preparatory to removal to the power plant is well under way. The work is supervised by Supt. Stoldt of the light department. The brick work of two boilers has been completely torn down and the engines and dynamos have been unfastened from the foundations and separated to some extent in order to make the task of removal the more easy.

Regular employees of the department have been doing this work and it is the plan to have all the machinery ready for removal before that part of the big task begins.

The contract for removal has been let by the council to Thede Bros., of Peoria, a firm that makes a specialty of this class of work. Originally bids for the removal work were received from three local firms and ranged from \$3,200 to \$2,935. Subsequently one of the Jacksonville men reduced his bid to \$2,500. The council decided to receive bids outside Jacksonville as well as in the city, with the result that the bid of Thede Bros., at \$1,640, was accepted.

It is part of the contract that this firm is to furnish all labor, tools and equipment, and shall assume all risks for personal injury or damage to equipment. The city is to furnish teams for the hauling work. The city owns two teams and it is the expectation that three other teams will also be required. The actual haulage will probably not require more than two days, while the work of preparing for removal and the loading and unloading process will require a number of weeks.

In the bid of a local firm of \$2,500 it was provided that the city should furnish the labor and the estimated cost of this labor was \$600. Under the arrangement made with the Peoria concern the city furnishes the teams necessary but does not furnish the labor.

LONG TIME COUNTY RESIDENT IS DEAD

Charles M. Hocking Passed Away at Franklin Home Wednesday — Had Passed Ninety-Fifth Birthday.

Charles M. Hocking, one of the oldest residents of Morgan county, died at 7:30 o'clock Wednesday morning at the residence of his son, J. L. Hocking, in Franklin. Mr. Hocking's ninety-fifth birthday anniversary was last Monday.

The aged man retired from active work more than a score of years ago. He had been in failing health for several months.

Mr. Hocking was for many years a resident of Jacksonville. A cobbler by trade, he conducted a shoe-making and repair business here for years. The last place in which his shop was situated is the site now of the Phelps store at the northeast corner of the public square.

It was in 1875 that Mr. Hocking moved from this city to Franklin. He there engaged in the shoe business, conducting both a store and repair shop. This business he followed until advancing years prompted him to retire from strenuous work.

The decedent was born in England and is the last of a family of five children. He came to America in 1832, coming to Jacksonville soon after landing.

He was united in marriage to Martha Fletcher, who died in 1915. Mr. Hocking was very well known at Franklin, and had numerous acquaintances in Jacksonville, especially among the older citizens. He was a member of the Odd Fellows lodge and of the Christian church.

He leaves six children, Fletcher Hocking of Franklin; Charles M. Hocking Jr., whose present place of residence is not known here; Mrs. Laura Austin of Edison, Kansas; Richard Hocking of this city; J. L. Hocking of Franklin, with whom the decedent made his home, and Mrs. Martha Burnett, also of Franklin.

Mr. Hocking ranked as one of the oldest residents of Morgan county and those who knew him best were his firmest friends and greatest admirers. He was a son of Deacon Richard Hocking, a devout early member of the Baptist church of this city, who resided for many years on West Court street. The father came to this country from Helston, Cornwall, England where he had been born in 1802.

The father was first married to Miss Mary Mitchell, who died in May, 1833, leaving one son, Charles M. Hocking, whose death has just occurred. Charles M. Hocking had four brothers and one sister. The brothers were: Richard, Joseph, Alfred H. and Frederick G. Hocking, all of whom were identified in one way or another with the business life of Morgan county and years ago passed to their reward.

As before mentioned, Charles H. Hocking has been resident in Franklin for about forty-five years and while he lived quietly he was universally respected and had the good opinion of all the older residents and those of the present generation.

The funeral service will be held Friday morning at ten o'clock at the Christian church in Franklin.

Men's Sleeping Garments priced right. FRANK BYRNS Hat Store.

RETURNS FROM CONFERENCE

J. S. Findley returned last night from Aurora, where he went to attend a conference of boys' work secretaries. There were sixty men in attendance and the two days' program was of both inspirational and practical value.

No Goods Charged at These Sale Prices

In a Gambler's Market

A clerk's error, adding three ciphers to a thousand-bushel selling order, caused wheat to fall 8 1/4 points on the Chicago Board of Trade last October. It didn't change the world's wheat supply by a single grain or affect actual wheat needs by so much as a crust of bread, but every farmer whose wheat was marketed that day lost money as a result.

A short time before, the market was sent tumbling by a false cablegram announcing that France had a big harvest of wheat.

When a clerical error or baseless rumor can rob the farmer of millions, some remedy MUST be found.

A practical remedy is known—will find THE COUNTRY GENTLEMAN a powerful ally. With a large staff of editors and contributors covering every corner of the land—even studying foreign markets—THE COUNTRY GENTLEMAN presents each angle of our national farm problems in the most helpful and interesting way. It warns you of causes for price changes before they occur, helps you to make money, entertains and inspires you—all for just \$1.00 for 52 big issues. Send a dollar bill—or your check is good!

114 Eggs A Day Now Instead Of 25 A Day

This Means About \$126 Extra Income Per Month for Mrs. Ropp.

"I have 200 hens, including late pullets not old enough to lay, and had been getting 25 to 30 eggs a day. Then I tried Don Sang and am now getting 10 to 12 eggs a day."—Mrs. E. R. Ropp.

K. R. Z. Little, Ind.
This increase of 7 dozen a day in the middle of winter, at 60c a dozen makes \$126 extra income per month. Don Sang for her 200 hens cost about \$2.50. It paid her for the first month. She guarantees it will pay you.

Give your hens Don Sang and water results for one month. If you don't see that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded.

Don Sang (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It tones up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.

You can obtain Don Sang from your druggist or poultry remedy dealer, or send \$1.04 (includes war tax) for a package by mail. Burrell-Dugger Co., 214 Columbia Bldg., Indianapolis, Ind.

Home-made Remedy Stops Coughs Quickly

The best cough medicine ever made. A few drops supply relief and quickly made. Saves about \$2.

You might be surprised to know that the best thing you can do for a severe cough is a remedy made at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Four 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup instead of sugar syrup. If desired, this you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air-passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract famous for healing the membranes. To avoid disappointment ask your druggist for 2½ ounces of Pinex with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Wayne, Ind.

FIRE IN FILM PLANTS CAUSES TWO DEATHS

Young Woman Leaps to Death from Fire Escape After Being Carried Out by Watchman—Origin of Fire Undetermined.

BAYONNE, N. J., Jan. 18.—Two persons, one a young woman, were killed and ten injured in a fire today which swept a building housing several film manufacturing concerns.

The dead were Miss Ethel Suckow, 24, and a man believed by the police to be Arthur Post, 21. A check of other employees accounted for all. Miss Suckow perished apparently by jumping from a fire escape at the second floor after she had been carried thru flames by a watchman who returned to rescue other girl employees. Miss Suckow, enveloped by flames, leaped to the street.

The charred body of a man believed to be that of Post was found on the second floor.

Exploding films hurried burning debris two hundred feet setting fire to several dwellings and threatening to communicate with a 10,000 gallon tank of gasoline in a welding shop nearby which also was fired by flying embers. These fires were quickly checked however. The origin of the fire had not been determined late today.

NOTICE TO TAXPAYERS

The tax books are now in the collectors office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress, and sale of goods and chattels of such person." Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

W. H. WEATHERFORD, Sheriff and Ex-Officio Collector

NOTICE.
Road Dist. No. 6 Scott county, Ill., poll tax for 1920 past due. Please settle same at once.

F. J. Harvey, Com.

CLAIMS CITY DOES NOT SAVE \$1,500

Journal Company, City: Gentlemen:

In looking thru the Journal Tuesday morning, I noticed the award of the city council as to the moving of boilers and machinery, and that the city fathers are saving the city of Jacksonville approximately \$1,500. This is not correct, and in as much as the number of prominent citizens have inquired why some citizen of Jacksonville did not do this work, I am taking this means of informing the public.

In the first place, the city council solicited bids and the specifications were so worded that the contractor had to guarantee or protect the city of Jacksonville as to all liability, such as compensation, breakage of machinery and so on, or in other words to do a mechanical and complete job without further cost to the city. These bids were as follows:

Wallbridge Construction Co., \$3,200
Jacob Cohen & Son, 3,000
McBride & Green, 2,935

Award of contract at that time should have been made to McBride & Green, as they were the lowest bidders, but the bids were turned down or juggled. Later the writer was called in consultation and after considerable bargaining, my bid was reduced to \$2,500 for a complete job, protecting the city against all damages. This includes teams and all necessary tools for removal.

Later the city council awarded the job to Thede Bros. of Peoria at \$1,645, or a difference of \$855. In this award the city has to furnish teams and so on, which will cost several hundred dollars, so the city is not saving anything practically speaking. In fact, it will perhaps cost the city several thousand dollars more before they are thru with the work.

For an example: The Railway & Light company secured a Peoria contractor to move and reset a Hall engine at a final cost of over \$1,000 above the writer's bid. The job was handled in such a manner that the engine never worked satisfactorily and finally was removed by the writer as junk.

The writer has moved and set practically every boiler engine and heavy machinery that is in the various factories or institutions in the city of Jacksonville, and the work speaks for itself. Furthermore, he has had twenty-five years experience and is constantly doing this type of work in various cities in different states.

As you enter the city council there is a sign on the wall, "For the Good of Jacksonville." That is a sad mistake. Citizens who pay taxes, who taxes, continued contributions and are constantly putting in time and expense for the city without cost are

not considered. This is for the public to consider.
For the good of Jacksonville,
Ben Cohen.

SPECIAL SERVICES AT MANCHESTER CLOSE

Revival Series at Manchester Christian Church Closed Sunday—Boy Injured By Explosion—Other Manchester News.

Manchester, Jan. 19.—The revival series which has been in progress at the Christian church here for the past several weeks, closed Sunday night. The serv-

Battery of Soup Kettles Maintained By America Makes Drive Against Hunger of Starving European Children

Hundreds of undernourished Polish children have had their suffering lessened at this child-feeding station maintained near Vilna by the European Relief Council, the amalgamation recently formed by the eight leading American relief agencies under the chairmanship of Herbert Hoover to promote efficiency and economy in ministering to the little sufferers of the war-damaged sections. The underground stove shown in the photograph was especially constructed after it had been found that adequate facilities for cooking the relief supplies could not be provided otherwise in the home.

Hundreds of similar stations in the stricken areas will be maintained by the Council until the next harvest, and it is through their operation that more than 3,500,000 starving children will be enabled to survive the winter.

The Council, which maintains headquarters at 42 Broadway, New York City, has inaugurated a national collection to secure \$33,000,000 to carry out its project of child salvage. The money so raised is to be used in the actual purchase of supplies, for transportation, the labor necessary to the maintenance of the stations and other administrative expenses are provided through the cooperation of the governments of the countries in which the relief will be administered.

ices were in charge of Rev. O. C. Bolman of Jacksonville, assisted by Mrs. Gertrude Demerath of Winchester, singer. The meetings were well attended and much good resulted. Baptismal services were held at Woodson Tuesday.

Mrs. J. W. Weis has returned to her home in Mattoon after spending a number of weeks with her parents, Mr. and Mrs. J. C. Andras and family.

Mrs. John Duncan visited relatives in Waverly and Franklin last week end.
Mrs. John Langdon is some better at this writing.

Mrs. Belle Gedney was called to the home of her daughter, Mrs. Elmer Alred Monday morning. A steam heater exploded and a flying particle struck the little son, Richard, causing the loss of his right eye and several gashes were cut about the face.

Mr. and Mrs. J. A. Alred and children of Roodhouse visited the latter's mother, Mrs. Dean Sunday.

Miss Hazel Duncan is assisting in the C. D. Chapman dry goods store this week.
The Worth While Girls met Monday evening at the home of Miss Ollie Walker. There being

so much sickness a small number was present.

MEASLES BECOME AN EPIDEMIC IN BLUFFS

More Than 70 Cases Reported and Primary Grade Closes—Miss Winifred Ashley Returns From Pasadena, Cal.—Other Items.

Bluffs, Jan. 18.—Measles, which broke out in the school several days ago have become an epidemic. More than 70 cases are reported and the primary grade is temporarily closed.

The Aid Societies of the M. P. church will hold a chili supper in the church basement Thursday night.

Born.—To Mr. and Mrs. Royal Onkes Tuesday, their third son and Royal is correspondingly happy.

P. C. Funk of Winchester, attended the joint installation of Rebekah's and I. O. O. F.'s at their hall Friday night.

John B. Little was a visitor in Jacksonville Saturday.

Miss Winifred Ashley who has been visiting in Pasadena, Cal., for the past three months, is expected to return home soon.

Sept. O. V. Walters has returned from Macomb where he was called last week by the serious illness of his father.

MURRAYVILLE ITEMS OF SPECIAL INTEREST

I. O. O. F. Lodge Members Attend Church Services in a Body Several on the Sick List—Other News Notes.

Murrayville, Jan. 19.—Mrs. Julia Dickson of White Hall and Mrs. Dora Ames of Roodhouse visited their sister, Mrs. C. F. Strang last week.

Mr. and Mrs. C. R. Short and daughter, Miss Florence, went to Franklin, Wednesday, being called there by the death of their friend, Byron Wood.

J. W. Wright was a business visitor in Springfield Thursday. Dean Lamb of Beardstown spent the past week with his parents, Mr. and Mrs. Alfred Lamb. Mr. and Mrs. W. W. McPherson were St. Louis shoppers Monday. The I. O. O. F. lodge attended revival services in a body Thursday evening and the high school on Monday evening.

Among those on the sick list the past week are: Mrs. J. C. Bell, Mrs. Warren Wright, Mrs. Alex Lovell, and Miss Dorothy Tendick.

Rev. A. C. Powell of Woodson was a guest at supper Monday evening of Mrs. Mozelle Irlam and family and attended the service at the M. E. church.

S. B. Robinson was a business visitor in Roodhouse Monday. Mrs. Mary E. Wright spent several days last week with her son, C. F. Wright and family near White Hall.

Roy Dilly of Roodhouse was here Monday in the interest of the C. I. P. S. Co.

Mrs. J. L. Stephenson of Roodhouse was a guest of Mrs. S. Robinson Friday.

Mr. and Mrs. Everett Pennell and son, Howard, went to Sawyersville, Ill., Monday to attend the funeral of Mrs. Pennell's niece, Miss Ethel Arrington.

Miss Avis Crowder of the Woman's College in Jacksonville, was a guest Sunday of Prof. and Mrs. C. E. Faust at the home of Mr. and Mrs. J. N. Osborne.

Mrs. P. G. Beadles had dental work done in Roodhouse Monday.

Mrs. Edward Kitzer of Jacksonville visited relatives here the latter part of the week.

Mr. and Mrs. Burt Millard and family were guests Sunday of Mr. and Mrs. S. S. Sheppard.

Mr. and Mrs. George Simpkins of near Jacksonville spent Sunday with the latter's parents, Mr. and Mrs. J. K. Cunningham.

Mr. and Mrs. Ira Story were visitors Sunday at the home of Mrs. Story's parents, Mr. and Mrs. J. N. Osborne.

Mr. and Mrs. N. C. Carlson entertained their parents, Mr. and Mrs. J. A. Carlson and Mr. and Mrs. Rees Jones at dinner Sunday.

Miss Hattie Paddock of Godfrey is visiting her aunt, Mrs. Albert Riggs.

1920 INCOME TAX FACTS YOU SHOULD KNOW.

To the salaried or professional man whose principal source of income is payment for professional services the problem of making out an income tax return is not as great as that presented to the owner of a business. In the case of a merchant, manufacturer, or any business in which production, purchase, or sale of merchandise is an income-producing factor, inventories are necessary at the beginning of each fiscal or calendar year, according to the taxpayer's method of accounting. The fiscal year is an accounting period of 12 months ending on the last day of any month other than December. Taxpayers who keep their books on a fiscal-year basis are required to make their returns on that basis.

The inventory should include raw material and supplies on hand that have been acquired for sale or use in production, together with all finished or partly finished goods. It should include merchandise sold but not billed to the customer at the date of inventory and any goods out upon consignment unless such goods have been included in the sales for the taxable year. It should also include merchandise purchased though not actually received to which title has passed to the purchaser.

Cost or Market.
Inventories may be taken either on the basis of cost or cost or market value, whichever is lower. In the case of a merchant "cost" means the invoice price less trade or other discounts, excepting strictly cash discounts approximating a fair rate of interest, which may be deducted or not at the option of the taxpayer providing a consistent course is followed.

To the net invoice should be added the cost of transportation and other necessary charges incurred in acquiring possession of the goods.

In the case of a manufacturer "cost" means the cost of raw materials and supplies, expenditures for labor, and indirect costs incident to production, including a reasonable proportion of management expenses, but not including any cost of selling or securing return on capital.

"Market" means the current bid price prevailing at the date of the inventory for the particular merchandise. The burden of proof as to the correctness of the price rests upon the taxpayer in each case. If the "cost or market" basis is used, each class of goods must be itemized and the cost or market price of each shown separately. The value of each item in the inventory may be measured by cost or market, whichever is lower. An entire stock may not be inventoried at cost and also at market price, and the lower of the two inventories used.

No special system of accounts is prescribed by the Bureau of Internal Revenue, but the books must show in detail inventories, purchases, sales, capital, investments, and similar items required in making up an income tax re-

turn. The inventory, which can not be taken without some form of accounts, is the compass of a business. Without it the direction in which the business is heading, either for success or failure, can not be determined.

Taxable Income.

In the making of an income tax return for the year 1920, taxpayers of every class, business and professional man, wage earners, and farmers, should present to themselves for consideration the following questions:

Did you receive any interest on bank deposits?

Have you any property from which you receive rent?

Did you receive any income in the form of dividend or interest from stocks or bonds?

Did you receive any bonuses during the year?

Did you make any profit on the sale of stocks, bonds, etc.?

Did you act as a broker in any transaction from which you received commissions?

Are you interested in any partnership or other firm from which you receive any income?

Have you any income from royalties or patents?

Have you any minor children who are working?

Have you control of the earnings of such children? If so, the amount must be included in the return of income.

Has your wife any income from any source whatsoever? If so, it must be included in your return or

reported in a separate return of income.

Did you receive any directors' fees or trustees' fees in the course of the year?

Do you hold any office in a benefit society from which you receive income?

Answers to all of these questions are necessary to determine whether a taxpayer has a net income sufficiently large to require that he file a return. If single, or if married and not living with wife, and his income for 1920 was \$1,000 or more, he must make a return regardless of whether his income is non-taxable by reason of his exemptions for dependents, or as the head of a family. If married and living with wife, and his income was less than \$2,000, he need not make a return.

DAVIS SWITCH

Mrs. J. H. Denore and Mr. and Mrs. Percy Denore spent Friday afternoon in Jacksonville.

Born—To Mr. and Mrs. Howard Sommers a 8-12 pound son—Thursday, January 13th. Mr. and Mrs. Sommers now have four sons.

Misses Alma and Inez Winter are now able to be around the house after a siege with the measles.

The little child of Mr. and Mrs. Bert Foster, near Woodson, is quite sick with measles.

Mrs. Sam Butler, Mrs. Otto Grinnett and Mrs. Porter Bell,

spent Wednesday with Mrs. Jack Leach.

Mr. and Mrs. Howard McCarthy of Winchester, spent Thursday with their brother and family, Mr. and Mrs. Howard Sommers, south of the city.

Mrs. Dick Butler and son, William, are confined to their bed with LaGrippe.

Mr. and Mrs. William Paul were Thursday shoppers in Jacksonville.

Mrs. Wilds who makes her home with her daughter, Mrs. Dick Butler, has been on the sick list but at this writing is able to be up and around again.

Mrs. O. J. Wouff has been on the sick list the past week.

BLACKHEADS GO QUICK BY THIS SIMPLE METHOD

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomite powder from your druggist—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. The calomite powder and the hot water have just dissolved them. Pinching and squeezing blackheads only open the pores of the skin and leave them open and unsightly—and unless the blackheads are big and soft they will not come out, while the simple application of calomite powder and water dissolves them right out, leaving the skin soft and the pores in their natural condition. You can get calomite powder at any drug store and if you are troubled with these unsightly blemishes you should certainly try this simple method.

The NEW EDISON

"The Phonograph with a Soul"

What Edison did during the War

THE official announcement is out. Ask us for your copy of "What Edison Did During the War." Write for it, if you can't call.

It tells how Edison left his home and business and went to sea, how Edison's "Yankee magic" foiled the German submarines.

The bulletin tells many other things Edison did while Chairman of the Naval Consulting Board. It explains how Edison kept the price of his phonograph at bed rock during an era of high costs and soaring prices. Since 1914 the New Edison has advanced in price less than 15%—and part of this is war tax.

This bulletin also describes the Budget Plan, which makes it possible for every home to enjoy the benefits of good music without feeling the financial outlay.

KANSAS CITY

LIVE STOCK MARKET
Kansas City Stock Yards, Jan.
19.—Fat cattle are moving to
market freely and prices are
fluctuating within a 50 per cent
range, and in the average slightly
above December's level. The mar-
ket movement is a drain on
future supplies, as the numbers
being returned to feed lots are
not up to normal for this season
of the year. There is consider-
able demand for steers to rough
thru the winter to grass, but half
fat steers which usually attract
feeder competition are neglected.
A good many countrymen would
rather buy thin cattle and hold
until grass, than buy later in the
year. Prices for stock and feed-
ing steers are unchanged com-
pared with a week ago. In a run
of 14,000 cattle about 6,000
were suitable for country buy-
ers. Good to choice 750 to 1,000
pound feeders brought \$7.50 to
\$8.25, and fair to good kinds
\$6.75 to \$7.50. Most of the stock-
ers are selling at \$6.25 to \$7.25,
and stock cows and heifers \$4.50
to \$6.00.

Hogs receipts are fairly liberal
and include a good many stock
and feeding pigs and hogs. There
is a good demand from all sec-
tions. Choice pigs are bringing
\$9.25 to \$9.50, and fair to good
kinds \$8.75 to \$9.25. Fat hogs
are selling at \$9 to \$9.60. The
firmness in fat hogs in the face
of increasing supplies has given
rise to the belief that packers will
have need of all the fat hogs
they can get this year.
Fat sheep and lambs are sell-
ing at small changes in prices.
Thin grades are neglected and
can be bought at a sufficient
margin under fat classes to af-
ford a good feeding margin.
Feeding lambs are quoted at
\$7.75 to \$9 and feeding ewes \$3
to \$4.25. Fat lambs are quoted
at \$10 to \$11, ewes \$4.50 to
\$5.25, yearlings \$8.50 to \$9.25
and weathers \$6 to \$6.50.

CHARLES M. PIPKIN,
Market Correspondent.

NONE BETTER
Foley's Honey and Tar
is an old reliable family medicine for the relief of cold, cough, croup, whooping cough, bronchitis, etc. and the croup that follows after the "flu." Made of clear, wholesome and tasteful pine tar and demulcent honey of the best. Contains no opiates.
Mrs. E. M. Church, 28 Howard St., New London, Conn., writes: "When I feel cold coming on, I go right to taking Foley's Honey and Tar. I have used it for a number of years and never with good results."

SINCLAIR RESIDENT MAKES EASTERN TRIP
Critic Haneline Leaves for Visit in North Carolina — Miss Maude Farmer a Missouri Visitor — Other Sinclair News.
Sinclair, Jan. 19.—Critic Haneline left recently for Winston-Salem, N. C., where he was born and reared. There he will visit friends and relatives and once more view the scenes of his childhood.
W. J. Davis of Detroit, Mich., was in Sinclair Tuesday looking after business interests.
Miss Maude Farmer is in Missouri visiting with her sister, Mrs. Frank Ryman near Edina for a few days.
Mr. and Mrs. Parker of Kansas City were visiting the latter's sister, Mrs. R. L. Stewart east of Sinclair recently.
A. M. Sinclair held a sale at his place four miles southeast of Sinclair the 19th.
Mr. and Mrs. P. E. Moulitz lost their infant babe at their home two miles north of Sinclair on the 7th. The mother is getting along nicely now under the treatment and care of Dr. Taylor of Ashland.
Amos Swain is making preparations for a closing out sale at his place one mile north of Sinclair about the 1st.
Born to Mr. and Mrs. Frank Hynes of Markham a few days since a son. Mr. Hynes formerly resided east of Sinclair.
Amos Swain shipped a load of mixed butcher stuff to Chicago Tuesday.
Geo. L. Stice has moved back to his home near Sinclair after superintending the county home for two years.
J. H. Galters, formerly station agent at this place has taken a position with the Alton people at Lansdale, north of Springfield, the same position he held before coming to Sinclair, and has moved his family back there.
The Blackburn Elevator Co., is loading and shipping ear corn from this place this week.

ZION

WHEN RHEUMATISM HITS YOU HARD!
Sloan's Liniment should be kept handy for aches and pains.
Why wait for a severe pain, an aching, a rheumatic twinge following exposure, a sore muscle, sciatica, or lumbago to make you work, when you should have Sloan's Liniment handy to help curb it, keep you active, and fit, and on the spot.
Without rubbing, for it penetrates a bit today to the afflicted part. Note the gratifying, clean prompt relief that follows. Sloan's Liniment keeps it many thousands of friends the world over if it didn't make good that's worth remembering. All drug stores—three sizes—the largest is the most economical. 35c, 70c, \$1.40.

OBITUARY.
Frederick William Meier born Feb. 3, 1841 at Holte Osnabruck, Germany, died at his home about 6 miles east of Meredosia, Jan. 11, 1921, at the age of 79 years, 11 months and 8 days.
When he was sixteen years old he came to America and lived in New York for several years. He then returned to his native land for a short time when he once more crossed the waters and came to America when he settled in Illinois in the community from which he passed away.
He was united in marriage with Margaret Ellen Schlicker, October 7th, 1869, this relationship was severed about 8 years ago, with the death of the wife. To this union 9 children were born of whom there are six remaining to mourn the loss of the father—namely, Wm. D., Mrs. William Davenport, Henry, Ella and August of Meredosia and Mrs. Harry Butcher of Sinclair, Ill.
In his youth Mr. Meier was confirmed in the Evangelical Lutheran church. He has since been a consistent and faithful christian. When Trinity Lutheran church was organized he was one of the first members. In 1883 he was elected to serve on the church council which position he held for many years.
He loved the church and attended faithfully until failing health made it impossible. To him religion was more than a confession. To him religion was a good neighbor and in his quiet unassuming way he won many friends in the community. For the past six years he was an invalid and altho at times he suffered he bore his cross patiently.
Besides the children the deceased leaves to mourn his departure two half brothers, Artin Aring of Neelyville, Christ Aring of New York, also other relatives and a great host of friends, who will

miss the influence of his beneficent spirit.
The funeral service was held at Trinity Lutheran church near Meredosia, Thursday, Jan. 13, 1921. Rev. McHeldenreich officiating. Burial was in the Hodge cemetery.

BETTER THAN CALOMEL
Thousands Have Recovered from Dr. Edwards' Colic Tablets. Are a Harmless Substitute.
Dr. Edwards' Colic Tablets are the result of Dr. Edwards' experiments not to treat liver and bowels complaints with calomel. For 12 years he used these tablets (a vegetable) mixed with olive oil in his private practice with great success.
They do all the good that calomel does but have no bad effects. No pain, no griping, no nausea, no purging, no danger from any cause. They simply cleanse the bowels and when you feel better, you are better. Note how they clean the bowels and perk up the liver.
